And What Have You

By BOB CRAIG

Hamlin's first United Way Campaign got underway this week with the opening of the advance division. For most of you, the drive will not get underway until Monday, Oct. 20, as this is when the major drive will begin.

Now, however, is the time to begin thinking about what your fair share of this community effort will be. If all of us will give just our fair share, we will not have any trouble reaching our \$9,000 goal.

But all of us must remember that we are actually giving to 14 different organizations when we are contacted and we must give accordingly, if this one drive a year is going to work for us.

All of us get tired of working on one drive right after another and having to donate to something every time we turn around. But by the same token we can not cut back on our giving just because we are only asked to give once. You do not have to come up with the full amount to support all of these organizations all at once, however. You can pledge to pay by the month, by the quarter or semi-annually. You can also give authorization for a bank draft so that you do not have the needless bother of writing a check each month.

Many of you will be given an opportunity to make your donation through a payroll deduction plan whereby your employer will withhold the amount you desire from your check each week or once a month.

One of the problem areas with United Way campaigns nationwide is with health agencies. Some organizations will take part in the United Way campaign and some will not. Because of charter restrictions the March of Dimes, American Cancer Society and the Heart Fund can not take part in United Way campaigns.

Because of this, the executive committee voted to include birth defects, cancer research and heart research in the budget. This money will be offered to the above mentioned organizations through their local representatives. If they refuse it, it will be donated to a major research center here in Texas dealing with that particular disease.

In the case of some of the health organizations, it is expected that they will continue with their annual campaigns because they feel that the educational part of their campaigns are as valuable as the money raised.

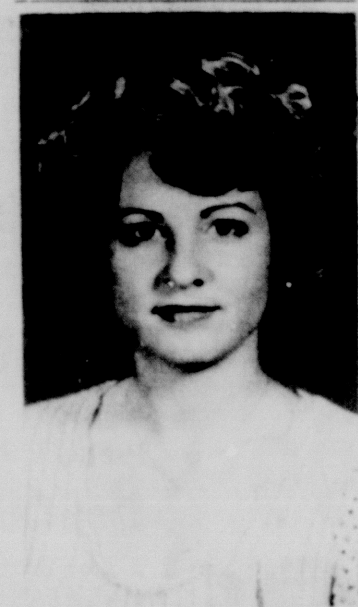

All of this puts both sides in a quandary. Some of the health organizations want to have their

She has served as president of the junior chapter conducting team, was a member of the livestock judging team, and was a member of the courtesy corps at the state FFA convention. She has also attended numerous district FFA meetings and assisted with registration at the Area II FFA Convention.

She is the current president of the Double Mountain FFA District Association.

Kayla is active in exhibiting livestock. She has shown at the Hamlin Community Livestock Show, the Jones County Fair, and the West Texas Fair. She is also a member of the American Hereford Association.

season here Friday night by the Anson Tigers, 28-24, while the Blizzards were losing to Ballinger, 35-7. In the other District 6-AA game, Coahoma defeated Colorado City, 14-6 and Stamford was idle.

This week while Hamlin is playing at Winters, Anson will be hosting Coahoma and Stamford will be playing at Colorado City. Ballinger is open.

The Blizzards operate from the "I" formation and the Double Wing, according to Hamlin scouting reports. Quarterbacking the Blizzard attack will be Marvin Moore, 157-pound junior, who is rated as a good runner and a good passer. The Blizzards have relied heavily on their passing attack this season with split end Tony Johnson rated as their best receiver. The tall receiver caught three passes against the Pipers last year, one for a touchdown.

Leading the Blizzard running attack is Tailback Jimmy Chapman, 179-pound junior. At fullback will be Tye Rougas, 151-pound junior, and at wingback will be Flent McNeil, 159-pound junior.

At tight end for the Blizzards will be Kevin Marks, 170-pound junior, who is also a good receiver. The tackles will be Doug Rogers, 155-pound junior, and Phil Colburn, 206-pound

8th Grade to Play Stamford Tonight

The local eighth grade football team will host Stamford here today (Thursday) at 6:00 and the Hamlin Junior Varsity will travel to Colorado City for a 7:30 contest.

Jones County Farm Bureau will hold its annual convention on Saturday at 7:30 p.m. at the Anson High School Cafeteria, according to J. C. Moss of Anson, president.

Door prizes will be awarded to each Farm Bureau family present. Also, four gift certificates for Safemark tires and batteries will be given away.

Farm Bureau policies on county, state, and national resolutions will be discussed and voted on. Resolutions relating to state and national policy will then go to the Texas Farm Bureau con-

sophomore. The guards will be Gary Schwartz, 152-pound sophomore, and Darrell Kurtz, 155-pound junior. The center will be Jack Fairey, 148-pound senior.

The Blizzards operate from several different formations on defense, but play a five-man front most of the time. Scouting reports indicate that about half of the defense is made up of players who are not listed on the printed program. Those listed are Moore at one corner, Chapman at nose guard, Schwartz at one linebacker, Colburn at defensive tackle and Rougas at defensive halfback.

Public Invited to Pep Rally Friday

Hamlin High School cheerleaders extend an invitation to the public to attend the pep rally Friday at 10:40 a.m. at the high school gymnasium.

The Pied Pipers play the Winters Blizzards Friday in Winters for their second conference game. "Your enthusiasm and backing will be appreciated by the Pipers and the cheerleaders," they said.

Mr. and Mrs. Clarence Foster returned last Wednesday from Twentynine Palms, Calif., where they visited their son and family, Sgt. and Mrs. Robert Foster and James Charles.

Four new county directors will be selected to serve on the county board.

Debbie Jay of Anson and DeWayne Connolly of Stamford, who attended the Citizenship Seminar in Waco, will bring a report on their weeks study of Americanism.

The Williams Family, a singing group, will present a program with a "Spirit of America" theme.

This group met here Tuesday afternoon to make plans for its part of the drive which will open Monday.

assigned the goal of raising 13 percent of the total goal and will be contacting about 90 firms. Each of the three committee members is expected to secure four additional workers for the drive. The group will meet Monday at 5:30 in the city hall annex to be assigned firms to contact and to go over the campaign goals.

Smith told the committee in their meeting here Tuesday that the United Way Campaign should be of special interest to the business community of Hamlin since this is the one group that is most often contacted by

every drive that comes along.

"We hope that each business will consider that they are supporting 14 different organizations in this one drive and give accordingly," Smith said. "If everyone will just total up their past giving to each of these organizations on an individual basis and give this much to the United Way we will not have any trouble reaching our share of the total goal," he added.

Contributions to the drive may be made annually, semi-annually, quarterly or monthly and are tax deductible.

McCaulley
By Mrs. Fred Kemp

Homecoming activities highlighted McCaulley news this week. Roughly speaking every resident in the community participated in some way in the fun, preparation of food, festivities, fellowship or football game.

A program of musical numbers was presented for the exes. Flutes were played by 7th and 8th Graders directed by Mr. McDonald. Piano renditions were by Mrs. Geneva Maberry. Base fiddle and piano duets were presented by Mr. and Mrs. J. P. Boyd of Roby and guitar numbers by Pat Carter and Sammy Holcomb of Waco. Vocal numbers included a trio, Geneva Carter, Reba Jackson and Latresse Nelson, all of Hamlin and a quartet, Clyde Minshew, G. W. Joplin, J. P. Boyd and Geneva Maberry.

Candidates for Coming Home Queen were Mrs. Parnice Douglas of Sylvester, Mrs. Paul Cooper, Mrs. Pete Steele, both of Hamlin, Mrs. Anne Land and Mrs. Jerry Lawlis of New Mexico.

Candidates for Coming Home King were O. F. Hill, Sammy Holcomb of Waco, Jimmy Lawlis of New Mexico, Billy Jeffrey and Gerald Berry.

Following the barbeque dinner, the Pep Club took over for a rally and bonfire.

Half-time activities of the McCaulley-Guthrie game featured crowning of Sylvia Benavides as Football Sweetheart and Ronnie Williams as Football Hero. Coming Home Queen Mrs. Paul Cooper of Hamlin and Coming Home King O. F. Hill were presented gifts.

Although the McCaulley Eagles were picked to lose the game, the Guthrie Jaguars were sent home the third period Eagles 62 and Jaguars 6.

Ex-Students Association officers for next year selected were Mrs. Kenna (Leldon) Clifton of Hamlin, Mrs. Patsy (Rudy) Hamric of Rotan, Mrs. Minon (Lewis Earl) Madden of Hamlin and Mrs. Jewel (Truett) Jeffrey.

We know who to thank for these perfectly beautiful days—Let's not fail to do so.

Speaking of perfection and to add happiness, I'll just have to recall some of the Home Demonstration Club picnics at McCaulley some thirty years ago. Everyone in the community was invited to attend and bring a covered dish and the program consisted of home talent. The local reporter and MC was none other than George Darden, who is retired and living at Girard, Texas now

with his wife the former Clara Miers. Some of the families attending were the Maberrys, Kemps, McCollums, Miers, Fanchers, McHones, Abbotts and others I cannot readily recall. The past Coming Home activities reminded me so much of those days.

Mr. and Mrs. Eldon Franklin had a delightful week end. Son, Douglas and wife and sons Scott and Shaun, came from LaDonia. Also Janice Siebenhouse their daughter, came to get her son Jeremy who had been visiting the Franklins the past two weeks.

Coach and Mrs. Don Story made a hurried trip to Wichita Falls Monday night to be at the bedside of their son who had a freak accident which has cost him the sight in one eye. We are told he has been discharged from the hospital and is doing nicely.

Mrs. Daisey Carrikers morning glories are at the peak of their beauty again and this year she has four o'clocks mixed with them. Just one block away Maude Barton's garden is as beautiful and colorful as ever. Wonder if this 'green thumb' comes with retirement. If so, perhaps I have a chance.

A familiar sight in the evenings is Carla Young and the Stevenson children, Scottie, Todd and Marcie walking their livestock in preparation for the Stock Shows coming up in January. Carla has a lamb and Todd and Scottie have calves. Marcie just goes along for the walk.

McCaulley Junior High played their first football game at home last Thursday. Although they were defeated they won the previous game at Highland. We have some good football players among these boys. High School could certainly use a few of them this year. Saturday night they played Leuders-Avoca—only eight men attended. Our boys lost but did well against this very good squad. This group of boys should be praised for the determination and courage.

Mr. and Mrs. Pete Forbes have just returned from a two weeks vacation in Dallas and other points of Texas.

McCaulley teachers attended the Fisher County Teachers Meeting in Roby, Monday night. Wednesday the first period will be used for a meeting of the Eagle Den, a student organization. Thursday evening at 7:00 p.m. McCaulley Junior High will play Hermleigh Junior High in football at McCaulley. Saturday Mr. Geo.

McDonand and Mrs. Geneva Carter will attend a UIL Play workshop at Odessa College.

Mr. and Mrs. Gene Stevenson had visiting last week Gene's grandmother, Mrs. Jack Griffith of Abilene, Mrs. Sybil Bailey, his mother of Odessa and Mr. and Mrs. Duane Young and Branden of Tye.

Thanks to our editor—especially for the last two editorials. He put into words what a lot of people think but haven't his ability to say it.

BEACHED... and forgotten!

This old forgotten boat is almost buried in the reeds. Can this boat in any way be compared to our talents? What of these talents that God has given us? Have they been beached, forgotten, buried?

Heaven expects us to help in this matter of creating a better world where brother helps brother by using to the fullest extent the talents He has bestowed upon us. God always provokes and prods mankind to do good works, and accomplish great things. And He says that if we dedicate ourselves to this matter He will help. But the decision to use our talents and develop them is our choice.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

own drives because they feel that they can raise more money and at the same time conduct an educational campaign.

The United Way directors on the other hand feel that many people like the idea of one drive to work and one gift to give. And since these people want to contribute to these major health research projects

they have been included in the budget.

If the people heading these major health organizations at the local level feel the need for their annual drive and can find the necessary workers then it is their privilege to go ahead. But, at the same time it is the privilege of those working on the United Way campaign to refuse to work in another drive.

It is our hope that both sides can work out this problem to the satisfaction of everyone concerned. Hamlin needs a United Way Fund, but at the same time the educational value of these health campaigns have their place too.

Get the most "freeze" for your freezer!

There's probably no more stalwart household servant than your electric freezer—think of the variety of healthy, flavorful meals it's helped serve up to your family! Make sure you're getting the most "freeze" for your freezer by following Reddy's consumer tips.

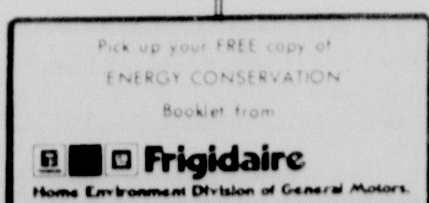

Don't overload. Efficient freezing calls for adding no more unfrozen food at one time than 2 or 3 pounds per cubic foot of your freezer's capacity. This ensures unfrozen food will freeze within a healthy 24 hours and that your freezer isn't overworked.

Take advantage of sales. Avoid overstocking with commercially frozen food that's always available. Use your freezer as your own bargain counter and store foods you can buy on sale. But do allow space for short-time baked goods, leftovers and special party foods.

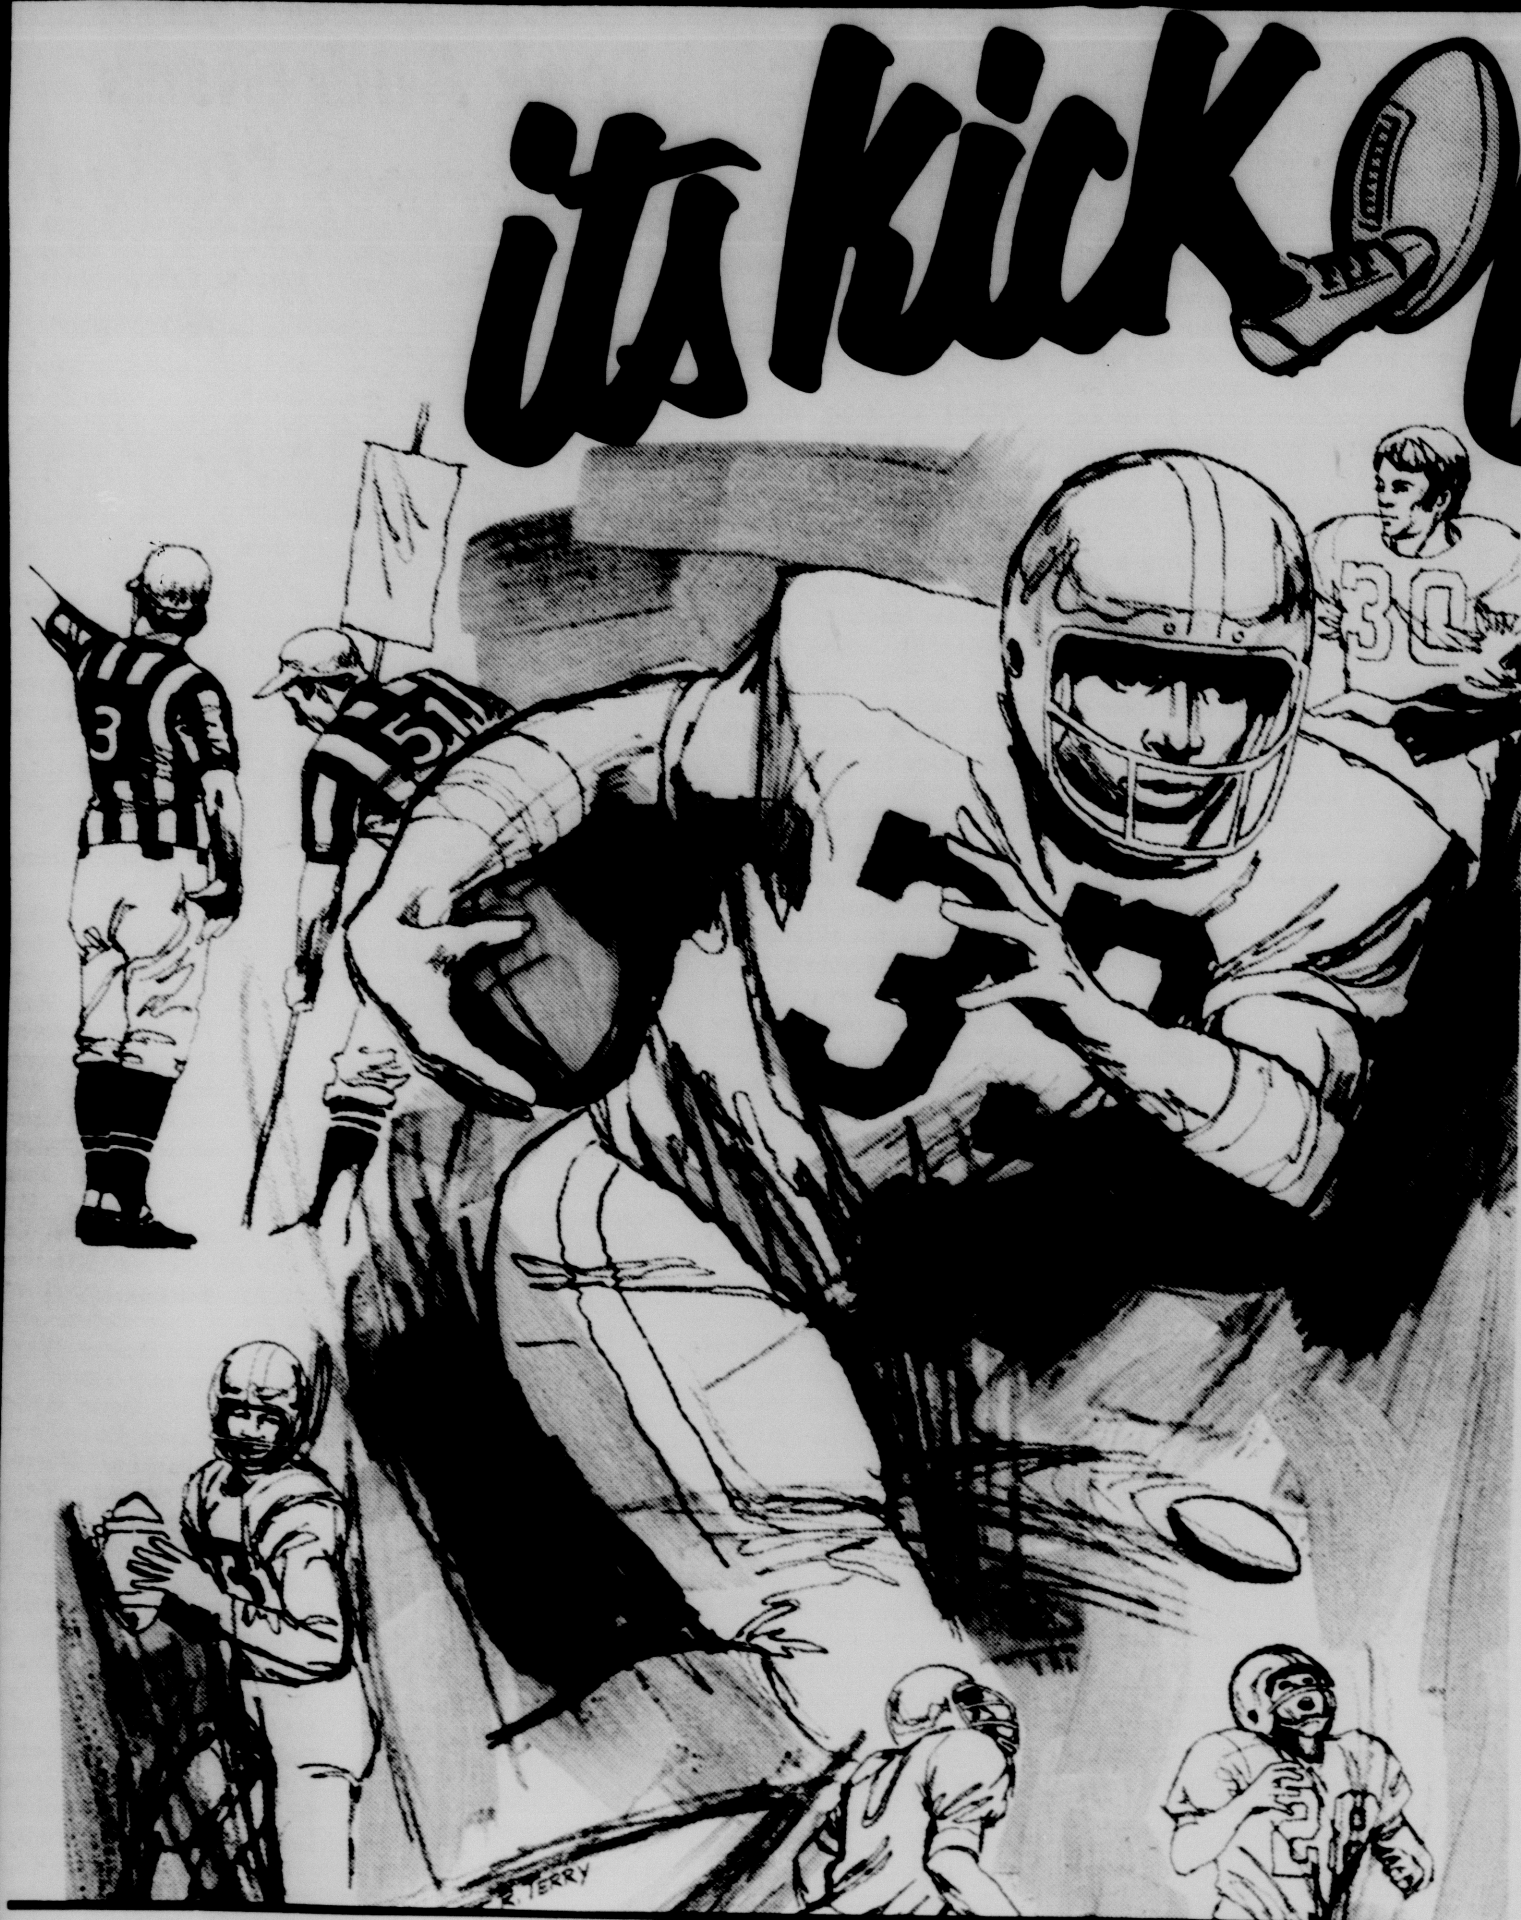

Lock in flavor. Use moisture and vapor-proof materials especially designed for freezers to wrap your foods. Tightly sealed, these lock in flavor and moisture and prevent "freezer burn" (surface drying) on foods. Don't use wax paper, bread paper or regular cellophane for freezer foods.

Label packages. Date and identify freezer package: so if you don't accumulate a lot of mysterious shapes and 21 you'll be able to pick out foods that have been in the freezer longest.

Tigers Take Early Lead to Down Pipers, 28-24

The Anson Tigers jumped out to an early lead on the Pipers here Friday night and then fought off a determined effort by the Pipers to come from behind in the final period to take the conference opener, 28-24. The Tigers remain undefeated for the season and the Pipers are now 3-1-1.

Playing without their outstanding halfback, John Booker, who had knee surgery last Wednesday, the Tigers relied on the running and passing of their senior quarterback Tony Watts. Watts, the leading ground gainer for the night, carried the ball 28 times for 167 yards and completed five of eight passes for 74 yards.

The Tigers took advantage of an early fumble by the Pipers to put six points on the scoreboard with 8:33 left in the first period. The stunned Pipers fell behind 12 points before they could recover enough to mount a passing attack that netted three touchdowns before the night was over.

Quarterback Gerald Rodgers was the top gainer for the Pipers with 70 yards in 11 carries. He passed 18 times, completing six for 183 yards and three touchdowns. Alan Steele turned in an outstanding night as wide receiver for the Pipers as he caught five passes for 146 yards and two touchdowns. Paul Reynolds caught one pass for 37 yards and the first Piper score late in the first quarter.

With the exception of Rodgers, the Piper running attack was virtually halted as Fullback Delbert Thompson was held to 39 yards in nine

carries and Halfback Daniel Willis could manage only 39 yards in 11 carries.

The Pipers took the opening kickoff and started play on their own 13-yard line. The Pipers could pick up only four yards in two plays and on third down Thompson hit into the line only to have the ball squirt loose with Anson recovering on the Hamlin 24.

It took the Tigers only five plays to score with Eddie Munoz going in from the two. A bad snap stopped the extra point try with the Tigers owning a six-point lead with 8:33 left in the first quarter. Willis returned the kickoff back from his eight-yard line to the Anson 46. The Pipers picked up a first down at the Anson 44 but failed to gain another first down and punted to the Anson 10.

The fired up Tigers drove the 90 yards in eight plays with Watts scoring from the one yard line. The two-point try failed and the Tigers were ahead 12-0 with 3:41 left in the first period.

Taking over on his own 27 following the kickoff, Rodgers picked up 12 yards and a first down at the 39, Thompson gained 11 yards and another first down at the 50. Rodgers picked up one yard, Willis three and then Rodgers gained nine and a first down at the Anson 37. Rodgers found Reynolds all alone in the end zone to put the Pipers on the scoreboard with 47 seconds left in the opening quarter. The point-after try was wide.

The Pipers missed an opportunity to go ahead or at least tie up the game when they failed to take ad-

vantage of good field position at the Anson 25. Thompson blocked a Tiger punt to give the Pipers this opportunity. The Pipers picked up eight yards in three plays and then Willis carried on the fourth down try with the officials ruling that he was just inches short.

The Tigers took over on the 15 and drove the 85 yards in eight plays to score their third touchdown with Watts going the final 18 yards around his right end. Watts passed to Joe Salinas for the two-pointer to put the Tigers out in front, 20-6.

It took the Pipers just 38 seconds to get back on the scoreboard, however, as the Pipers moved 71 yards in three plays with Rodgers passing to Steele for 51 yards and the touchdown. The point after try by the Pipers was again no good and they trailed 20-12 with 6:13 in the second quarter.

Neither team could put together a drive during the remainder of the first half.

Following the exchange of punts in the opening minutes of the second half the Tigers opened up a drive that carried from their own 46 to the Hamlin 12 before they fumbled with Hamlin recovering on the 18.

Rodgers ripped off 20 yards to the 38 before Hamlin drew a 15-yard clipping penalty to put them back on the 26. Robert Pharris was dropped for a four yard loss back to the 22 and then Willis gained back five. Rodgers took to the air again with Steele taking the ball out of a crowd of Tiger defenders for a 43-yard gain and a first down at the Anson 30. Rodgers picked up one yard and then Thompson gained four before two passing attempts fell incomplete.

Taking over on the 25, the Tigers drove the 75 yards in 12 plays with Watts again scoring this time from three yards out. He passed to Fidel Garcia for the two points. This put the Tigers out in front, 28-12, with 7:22 left in the game.

Thompson returned the kickoff back to the Hamlin 39 and then Willis picked up four yards before the Tigers were

penalized 15 yards to give the Pipers a first down at the Anson 41. Pharris gained five yards and Rodgers passed to Steele for 21 yards and another first down at the Anson 13. Willis added two yards, Rodgers five and then Thompson carried in for the score from the six. The two-point pass try failed and the Pipers trailed, 28-18, with 4:42 left in the contest.

The two teams exchanged mistakes as Steve Williams recovered an Anson fumble at midfield but the Tigers got the ball back two plays later on an interception at the Anson 4.

The Tigers moved out to the 22 before punting. The

Pipers returned the punt to the Anson 38. Rodgers had a pass go incomplete and then gained nine yards rushing. His third down pass was also incomplete and then he picked up 10 yards and a first down at the Anson 19. Willis ripped off 11 yards and a first down at the eight. Rodgers tried one pass and then completed his second attempt to Steele for the eight yards and the score. Willis was stopped just inches short of the goal on the two-point try. With only 1:07 left in the game the Pipers trailed by four points, 28-24.

Anson ran three plays to run out the clock and take their conference win.

NEWS AND VIEWS...

And What Have You

By BOB CRAIG

Hamlin's first United Way Campaign got underway this week with the opening of the advance division. For most of you, the drive will not get underway until Monday, Oct. 20, as this is when the major drive will begin.

Now, however, is the time to begin thinking about what your fair share of this community effort will be. If all of us will give just our fair share, we will not have any trouble reaching our \$9,000 goal.

But all of us must remember that we are actually giving to 14 different organizations when we are contacted and we must give accordingly, if this one drive a year is going to work for us.

All of us get tired of working on one drive right after another and having to donate to something every time we turn around. But by the same token we can not cut back on our giving just because we are only asked to give once. You do not have to come up with the full amount to support all of these organizations all at once, however. You can pledge to pay by the month, by the quarter or semi-annually. You can also give authorization for a bank draft so that you do not have the needless bother of writing a check each month.

Many of you will be given an opportunity to make your donation through a payroll deduction plan whereby your employer will withhold the amount you desire from your check each week or once a month.

One of the problem areas with United Way campaigns nationwide is with health agencies. Some organizations will take part in the United Way campaign and some will not. Because of charter restrictions the March of Dimes, American Cancer Society and the Heart Fund can not take part in United Way campaigns.

Because of this, the executive committee voted to include birth defects, cancer research and heart research in the budget. This money will be offered to the above mentioned organizations through their local representatives. If they refuse it, it will be donated to a major research center here in Texas dealing with that particular disease.

In the case of some of the health organizations, it is expected that they will continue with their annual campaigns because they feel that the educational part of their campaigns are as valuable as the money raised.

All of this puts both sides in a quandary. Some of the health organizations want to have their

Pipers to Travel To Winters Friday

Coach David Bon's said Monday that it is time to forget about our loss Friday night with Anson and now it is time to start getting ready for Winters. The Pipers will meet the Blizzards in Winters Friday night with the kickoff set for 7:30.

Both teams will be coming off a loss in their conference opener. The Pipers were handed their first loss of the

season here Friday night by the Anson Tigers, 28-24, while the Blizzards were losing to Ballinger, 35-7. In the other District 6-AA game, Coahoma defeated Colorado City, 14-6 and Stamford was idle.

This week while Hamlin is playing at Winters, Anson will be hosting Coahoma and Stamford will be playing at Colorado City. Ballinger is open.

The Blizzards operate from the "I" formation and the Double Wing, according to Hamlin scouting reports. Quarterbacking the Blizzard attack will be Marvin Moore, 157-pound junior, who is rated as a good runner and a good passer. The Blizzards have relied heavily on their passing attack this season with split end Tony Johnson rated as their best receiver. The tail receiver caught three passes against the Pipers last year, one for a touchdown. Leading the Blizzard running attack is Tailback Jimmy Chapman, 179-pound junior. At fullback will be Tye Rougas, 151-pound junior, and at wingback will be Flent McNeil, 159-pound junior.

At tight end for the Blizzards will be Kevin Marks, 170-pound junior, who is also a good receiver. The tackles will be Doug Rogers, 155-pound junior, and Phil Colburn, 206-pound

Hamlin's United Way Campaign was launched here Monday with the meeting of the workers in the advanced division and the second step of the campaign will get underway next Monday with a meeting of the workers in the business division, according to Jim Smith, general chairman.

The advanced division workers, under the direction

of Joe Ford, chairman, began the work of calling on about 70 to 75 firms and individuals who are expected to raise about 50 percent of the fund's \$9,000 budget.

Heading up the business division, which includes most of the businesses in Hamlin that have not been selected for the advanced division, is Luther Haught, chairman, Mrs. Robert Fowler and Pat Willoughby. This group met here Tuesday afternoon to make plans for its part of the drive which will open Monday.

This group has been

assigned the goal of raising 13 percent of the total goal and will be contacting about 90 firms. Each of the three committee members is expected to secure four additional workers for the drive. The group will meet Monday at 5:30 in the city hall annex to be assigned firms to contact and to go over the campaign goals.

Smith told the committee in their meeting here Tuesday that the United Way Campaign should be of special interest to the business community of Hamlin since this is the one group that is most often contacted by

every drive that comes along.

"We hope that each business will consider that they are supporting 14 different organizations in this one drive and give accordingly," Smith said. "If everyone will just total up their past giving to each of these organizations on an individual basis and give this much to the United Way we will not have any trouble reaching our share of the total goal," he added.

Contributions to the drive may be made annually, semi-annually, quarterly or monthly and are tax deductible.

P-TA to Open Magazine and Herald Drive

The Hamlin Herald and magazine subscription drive, sponsored yearly by the Hamlin Parent-Teachers Association, will open Friday and continue until October 20.

Mrs. John Poe, finance chairman, and her committee will be in charge of the project which is the organization's main money raising effort.

Students selling subscriptions will be working for special prizes which are based on the amount of their sales.

P-TA Meeting Today At 4 p.m.

The Parent-Teachers Association will meet for a program on fire prevention Thursday at the primary cafeteria at 4 p.m. A door prize will be given away according to Mrs. Joe Hymer, president.

Oak Grove Dinner Set for Saturday

The Oak Grove Baptist Church will hold a dinner Saturday at 6 p.m., sponsored by the Brotherhood. Bill Cork is president. The dinner will be in the Fellowship Hall. Tickets will be \$2.25 per plate.

The menu will include fried chicken, green beans, buttered potatoes, fruit salad, rolls and assorted pies, tea and coffee.

The public is invited to attend.

Theme for Homecoming Announced By Officers

Theme for the 1975 Homecoming has been announced by the Ex-student Association officers. The Bicentennial theme will be "Hamlin—70 years, America—200."

The Homecoming will be Nov. 7 and 8. The parade Nov. 8 will be directed by O. H. Weaver Jr. and Mrs. Earl Brown. Clubs, organizations, classes and businesses are urged to participate in the parade.

Those entering a float in the parade should call Weaver or Mrs. Brown.

The floats will be judged and cash prizes will be

awarded for the top three floats in two divisions, beauty and open.

Other events for Homecoming include a chili supper Nov. 7 before the Stamford-Hamlin football game. A noon barbecue will follow the Saturday morning parade and the Saturday afternoon business meeting will climax the two-day event. The chili supper, barbecue and business meeting will be held at the high school cafeteria.

The Ex-student officers will meet at 5:30 p.m. Monday in the Sweetwater Savings Association Building.

Firemen to Meet Saturday In Stamford for Convention

Fire department personnel from fifteen towns will gather in Stamford Saturday for the 74th semi-annual Mid-West Texas Firemen and Fire Marshals' Association meeting.

Registration will begin at 10 a.m. at the fire station. The women's luncheon and business meeting will begin at 11:30 and will feature a style show at the Lion's Club building on the east side of the square.

The men's business meeting will begin at 1:30 p.m. in the council room of the city hall. Speaker will be Jim Nichols, instructor, of Tarrant County Junior College. Nichols, a long time fire fighter, teaches fire

technology, hydraulics, administration and other courses in that college and the surrounding area.

Pumper races will begin at 4:30 near the fire station.

Barbecue will be served beginning at 6:30 at the National Guard Armory, east of town.

Another member of the committee is Mrs. Robert Fowler, not pictured. This part of the drive opens Monday.

Literary Club Holds Opening Meeting Friday

The opening meeting of the Hamlin Literary Club was the President's luncheon held Friday at the Sirloin Restaurant in Anson.

Mrs. A. A. Hackley gave the program on the history of the Hamlin Literary Club which was organized in 1908. Mrs. Hackley told those attending that the club was organized in the home of Mrs. David White and Mrs. W. T. Shannon served as the first president.

Mrs. Hackley said that the object of the club then, as now, is the furtherance of literary culture and the promotion of historical interests.

Mrs. Fred Smith, president, reported that a quilt block had been prepared by the club to be included in the Mesquite District quilt, a Bicentennial project. All clubs in the district prepared a 12 x 12 inch block with something pertaining to their respective town or club. Mrs. Hackley applied a green Piper on the white block and embroidered "Woman's Literary Club, Hamlin, Texas" in green for the Literary Club.

Mrs. Smith said the blocks will be made into a quilt and will be presented at the spring conference.

Also announced was the Mesquite District Workshop to be held Saturday from 8:30 a.m. to 2 p.m. in Anson's First Baptist Church.

Mrs. Earl Brown, yearbook chairman, previewed the new yearbook and announced that the next meeting will be in the home of Miss Lola Milstead Oct. 17.

Mrs. H. O. Cassie Jr. was a guest.

The Hamlin PTA Magazine and Hamlin Herald Drive will be Oct. 10-20.

QUILT BLOCK PREPARED—Mrs. Fred Smith, right, president of the Woman's Literary Club, accepts with pride the quilt block embroidered and appliqued by Mrs. A. A. Hackley, left, for the club's contribution to the quilt for the Mesquite District Bicentennial project. The design for the block was prepared by Mrs. Earl Brown, center, second vice president.

NEWS FROM . . .

McCaulley

By Mrs. Fred Kemp

Homecoming activities highlighted McCaulley news this week. Roughly speaking every resident in the community participated in some way in the fun, preparation of food, reunions, fellowship or football game.

A program of musical numbers was presented for the exes. Flutes were played by 7th and 8th Graders directed by Mr. McDonald. Piano renditions were by Mrs. Geneva Maberry. Base fiddle and piano duets were presented by Mr. and Mrs. J. P. Boyd of Roby and guitar numbers by Pat Carter and Sammy Holcomb of Waco. Vocal numbers included a trio, Geneva Carter, Reba Jackson and Latresse Nelson, all of Hamlin and a quartet, Clyde Minshew, G. W. Joplin, J. P. Boyd and Geneva Maberry.

Candidates for Coming Home Queen were Mrs. Parnice Douglas of Sylvester, Mrs. Paul Cooper, Mrs. Pete Steele, both of Hamlin, Mrs. Anne Land and Mrs. Jerry Lawlis of New Mexico.

Candidates for Coming Home King were O. F. Hill, Sammy Holcomb of Waco, Jimmy Lawlis of New Mexico, Billy Jeffrey and Gerald Berry.

Following the barbeque dinner, the Pep Club took over for a rally and bonfire.

Half-time activities of the McCaulley-Guthrie game featured crowning of Sylvia Benavides as Football Sweetheart and Ronnie Williams as Football Hero. Coming Home Queen Mrs. Paul Cooper of Hamlin and Coming Home King O. F. Hill were presented gifts.

Although the McCaulley Eagles were picked to lose the game, the Guthrie Jaguars were sent home the third period Eagles 62 and Jaguars 6.

Ex-Students Association officers for next year selected were Mrs. Kenna (Leldon) Clifton of Hamlin, Mrs. Patsy (Rudy) Hamric of Rotan, Mrs. Minon (Lewis Earl) Madden of Hamlin and Mrs. Jewel (Truett) Jeffrey.

We know who to thank for these perfectly beautiful days—Let's not fail to do so.

Speaking of perfection and to add happiness, I'll just have to recall some of the Home Demonstration Club picnics at McCaulley some thirty years ago. Everyone in the community was invited to attend and bring a covered dish and the program consisted of home talent. The local reporter and MC was none other than George Darden, who is retired and living at Girard, Texas now

with his wife the former Clara Miers. Some of the families attending were the Maberrys, Kemps, McCollums, Miers, Fanchers, McHones, Abbotts and others I cannot readily recall. The past Coming Home activities reminded me so much of those days.

Mr. and Mrs. Eldon Franklin had a delightful week end. Son, Douglas and wife and sons Scott and Shaun, came from LaDonia. Also Janice Siebenhouse their daughter, came to get her son Jeremy who had been visiting the Franklins the past two weeks.

Coach and Mrs. Don Story made a hurried trip to Wichita Falls Monday night to be at the bedside of their son who had a freak accident which has cost him the sight in one eye. We are told he has been discharged from the hospital and is doing nicely.

Mrs. Daisey Carrikers morning glories are at the peak of their beauty again and this year she has four o'clocks mixed with them. Just one block away Maude Barton's garden is as beautiful and colorful as ever. Wonder if this 'green thumb' comes with retirement. If so, perhaps I have a chance.

A familiar sight in the evenings is Carla Young and the Stevenson children, Scottie, Todd and Marcie walking their livestock in preparation for the Stock Shows coming up in January. Carla has a lamb and Todd and Scottie have calves. Marcie just goes along for the walk.

McCaulley Junior High played their first football game at home last Thursday. Although they were defeated they won the previous game at Highland. We have some good football players among these boys. High School could certainly use a few of them this year. Saturday night they played Leuders-Avoca—only eight men attended. Our boys lost but did well against this very good squad. This group of boys should be praised for the determination and courage.

Mr. and Mrs. Pete Forbes have just returned from a two weeks vacation in Dallas and other points of Texas.

McCaulley teachers attended the Fisher County Teachers Meeting in Roby, Monday night. Wednesday the first period will be used for a meeting of the Eagle Den, a student organization. Thursday evening at 7:00 p.m. McCaulley Junior High will play Hermleigh Junior High in football at McCaulley. Saturday Mr. Geo.

McDonand and Mrs. Geneva Carter will attend a UIL Play workshop at Odessa College.

Mr. and Mrs. Gene Stevenson had visiting last week Gene's grandmother, Mrs. Jack Griffith of Abilene, Mrs. Sybil Bailey, his mother of Odessa and Mr. and Mrs. Duane Young and Branden of Tye.

Thanks to our editor—especially for the last two editorials. He put into words what a lot of people think but haven't his ability to say it.

LETTER TO EDITOR

Writer Seeks More Support From Blacks

Dear Editor:

I have worked at the day care center for one year. At this time I have taken care of more black babies than any others. During the time I have worked, we have had an open house, at which no blacks showed up to even look the place over or to let it be explained to them how the babies are cared for. I know for myself all of the babies are getting good care, food, and clothes. The children get a good and healthy breakfast, lunch and snack. Some of the babies are getting better care at the Day Care Center than they are getting at home. I have seen the shape of how some of the kids come in.

Besides the open house, a month and a half later the Day Care Center had an auction the black people knew about. It had been advertised for a month. There is no excuse for them not being there. They know that the money raised is for the center. I know they don't have much money, but there was something there they could have bought, if it was only a donut or popcorn.

Most of all what looked so bad was that no blacks showed up at all. Only the three black workers were there. But at the same time they want the whites to come to their dinners. The whites are good at patronizing the church dinners.

Two Attend Hair Designer Clinic

Frank Meyner and Mrs. Paul (Linda) Frazier were among the sixteen students and hairdressers to take the Pivot Point hair designer degree and evaluation Sept. 28-30 at Glen and Lottie's School of Beauty in Abilene. Charlene Rustenburg of Chicago, Ill., master hair designer and Pivot Point examiner, was instructor.

A grade of 85 is required for passing the evaluation based on their practical work which included form, design, balance, rhythm, roller and pin curl applications, hair-cutting

they have been included in the budget.

If the people heading these major health organizations at the local level feel the need for their annual drive and can find the necessary workers then it is their privilege to go ahead. But, at the same time it is the privilege of those working on the United Way campaign to refuse to work in another drive.

It is our hope that both sides can work out this problem to the satisfaction of everyone concerned. Hamlin needs a United Way Fund, but at the same time the educational value of these health campaigns have their place too.

BEACHED... and forgotten!

This old forgotten boat is almost buried in the reeds. Can this boat in any way be compared to our talents? What of these talents that God has given us? Have they been beached, forgotten, buried?

Heaven expects us to help in this matter of creating a better world where brother helps brother by using to the fullest extent the talents He has bestowed upon us. God always provokes and prods mankind to do good works, and accomplish great things. And He says that if we dedicate ourselves to this matter He will help. But the decision to use our talents and develop them is our choice.

THANK YOU
To our many friends of Hamlin, we are a bit slow

writing this thank you, but we are so thankful to be back in Hamlin. We want to thank our many friends for the telegrams, phone calls, cards, flowers and gifts and phone calls to Rodger and Jill while we were away. We had good homes away from home, but there is no place like Hamlin. We are doing fine, and thanks again.

Get the most
“freeze”
for your freezer!

There's probably no more stalwart household servant than your electric freezer—think of the careers of healthy, flavorful meats it's helped serve up to your family! Make sure you're getting the most “freeze” for your freezer by following Reddy's consumer tips.

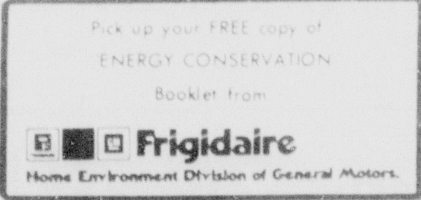

Don't overload: Efficient freezing calls for adding no more unfrozen food at one time than 2 or 3 pounds per cubic foot of your freezer's capacity. This ensures unfrozen food will freeze within a healthy 24 hours and that your freezer isn't overworked.

Take advantage of sales: Avoid overstocking with commercially frozen food that's always available, use your freezer as your own bargain counter and store foods you can buy on sale. But do allow space for short-time baked goods, leftovers and special party foods.

Lock in flavor: Use moisture- and vapor-proof materials, especially designed for freezers to wrap your foods. Tightly sealed, these lock in flavor and moisture and prevent “freezer burn” (surface drying) on foods. Don't use wax paper, bread paper or regular cellophane for freezer foods.

Label packages: Date and identify freezer package, so if you don't accumulate a lot of mysterious shapes and 21 you'll be able to pick out foods that have been in the freezer longest.

Remember Reddy Supplies the energy- but only YOU can use it wisely!

Tigers Take Early Lead to Down Pipers, 28-24

The Anson Tigers jumped out to an early lead on the Pipers here Friday night and then fought off a determined effort by the Pipers to come from behind in the final period to take the conference opener, 28-24. The Tigers remain undefeated for the season and the Pipers are now 3-1-1.

Playing without their outstanding halfback, John Cooker, who had knee surgery last Wednesday, the Tigers relied on the running and passing of their senior quarterback Tony Watts. Watts, the leading groundainer for the team, carried the ball 28 times for 167 yards and completed five of eight passes for 74 yards.

The Tigers took advantage of an early fumble by the Pipers to put six points on the scoreboard with 8:33 left in the first period. The stunned Pipers fell behind 12 points before they could recover enough to mount a passing attack that netted three touchdowns before the night is over.

Quarterback Gerald Rodgers was the top gainer for the Pipers with 70 yards and 11 carries. He passed 18 times, completing six for 183 yards and three touchdowns. An Steele turned in an outstanding night as wide receiver for the Pipers as he caught five passes for 146 yards and two touchdowns. Al Reynolds caught one pass for 37 yards and the first of his career score late in the first quarter.

With the exception of Rodgers, the Piper running back was virtually halted as Delbert Thompson held to 39 yards in nine

carries and Halfback Daniel Willis could manage only 39 yards in 11 carries.

The Pipers took the opening kickoff and started play on their own 13-yard line. The Pipers could pick up only four yards in two plays and on third down Thompson hit into the line only to have the ball squirt loose with Anson recovering on the Hamlin 24.

It took the Tigers only five plays to score with Eddie Munoz going in from the two. A bad snap stopped the extra point try with the Tigers owning a six-point lead with 8:33 left in the first quarter.

Willis returned the kickoff back from his eight-yard line to the Anson 46. The Pipers picked up a first down at the Anson 44 but failed to gain another first down and punted to the Anson 10.

The fired up Tigers drove the 90 yards in eight plays with Watts scoring from the one yard line. The two-point try failed and the Tigers were ahead 12-0 with 3:41 left in the first period.

Taking over on his own 27 following the kickoff, Rodgers picked up 12 yards and a first down at the 39. Thompson gained 11 yards and another first down at the 50. Rodgers picked up one yard, Willis three and then Rodgers gained nine and a first down at the Anson 37. Rodgers found Reynolds all alone in the end zone to put the Pipers on the scoreboard with 47 seconds left in the opening quarter. The point-after try was wide.

The Pipers missed an opportunity to go ahead or at least tie up the game when they failed to take ad-

vantage of good field position at the Anson 25. Thompson blocked a Tiger punt to give the Pipers this opportunity. The Pipers picked up eight yards in three plays and then Willis carried on the fourth down try with the officials ruling that he was just inches short.

The Tigers took over on the 15 and drove the 85 yards in eight plays to score their third touchdown with Watts going the final 18 yards around his right end. Watts passed to Joe Salinas for the two-pointer to put the Tigers out in front, 20-6.

It took the Pipers just 38 seconds to get back on the scoreboard, however, as the Pipers moved 71 yards in three plays with Rodgers passing to Steele for 51 yards and the touchdown. The point after try by the Pipers was again no good and they trailed 20-12 with 6:13 in the second quarter.

Neither team could put together a drive during the remainder of the first half.

Following the exchange of punts in the opening minutes of the second half the Tigers opened up a drive that carried from their own 46 to the Hamlin 12 before they fumbled with Hamlin recovering on the 18.

Rodgers ripped off 20 yards to the 38 before Hamlin drew a 15-yard clipping penalty to put them back on the 26. Robert Pharris was dropped for a four yard loss back to the 22 and then Willis gained back five. Rodgers took to the air again with Steele taking the ball out of a crowd of Tiger defenders for a 43-yard gain and a first down at the Anson 30. Rodgers picked up one yard and then Thompson gained four before two passing attempts fell incomplete.

Taking over on the 25, the Tigers drove the 75 yards in 12 plays with Watts again scoring this time from three yards out. He passed to Fidel Garcia for the two points. This put the Tigers out in front, 28-12, with 7:22 left in the game.

Thompson returned the kickoff back to the Hamlin 39 and then Willis picked up four yards before the Tigers were

penalized 15 yards to give the Pipers a first down at the anson 41. Pharris gained five yards and Rodgers passed to Steele for 21 yards and another first down at the Anson 13. Willis added two yards, Rodgers five and then Thompson carried in for the score from the six. The two-point pass try failed and the Pipers trailed, 28-18, with 4:42 left in the contest.

The two teams exchanged mistakes as Steve Williams recovered an Anson fumble at midfield but the Tigers got the ball back two plays later on an interception at the Anson 4.

The Tigers moved out to the 22 before punting. The

Pipers returned the punt to the Anson 38. Rodgers had a pass go incomplete and then gained nine yards rushing. His third down pass was also incomplete and then he picked up 10 yards and a first down at the Anson 19. Willis ripped off 11 yards and a first down at the eight. Rodgers tried one pass and then completed his second attempt to Steele for the eight yards and the score. Willis was stopped just inches short of the goal on the two-point try. With only 1:07 left in the game the Pipers trailed by four points, 28-24.

Anson ran three plays to run out the clock and take their conference win.
